

Logitech® Wireless Mouse M510

A full-size laser mouse that does more

Do more, more easily with your mouse. With soft rubber grips and a contoured shape, this full size mouse provides all-day comfort with up to two years of battery life. Comes with a tiny Logitech® Unifying receiver that stays put in your computer, so you can plug it in, forget it, and add up to six Unifying compatible devices without additional USB receivers.

WORKS WITH

Windows-based PC

- Windows® XP, Windows Vista® or Windows® 7
- USB port

Mac® computer

- Mac® OS X 10.4 or later
- USB port

WHAT'S IN THE BOX?

- Wireless Mouse M510
- Logitech® Unifying receiver
- 2 AA batteries (pre-installed)
- User documentation
- 3-year limited hardware warranty

FEATURE AT A GLANCE

Nice grip

Relax. The contoured shape with soft rubber grips, gently curved sides and a broad palm area give your hand the support you need for all-day comfort.

2-year battery life

Almost no need to replace batteries*. An On/Off switch helps conserve power, smart sleep mode extends battery life and an indicator light eliminates surprises.

*Battery life may vary based on user and computing conditions.

Power in your palm

Back/Forward buttons make flipping through photo albums and Web pages a breeze, especially for right-handers. Plus, you can scroll side to side or zoom using the tilt wheel*.

*Requires Logitech® SetPoint™ software (Windows®) or Logitech® Control Center software (Mac OS® X), available for download at www.logitech.com/downloads.

Plug it. Forget it. Add to it.

Tiny wireless Logitech® Unifying receiver stays in your computer, so there's no need to unplug it. You can easily add a Unifying compatible keyboard or number pad without adding another USB receiver.
