

Logitech®

Mouse M100

Reliable, comfortable control

Sometimes a simple point-and-click will do

Logitech® Mouse M100 gives you just the basics for comfortable, reliable control of your computer. It's built by Logitech®—the mouse experts—and comes with the quality we've built into more than a billion mice. It's corded, so you can just plug the cable into a USB port and use it right away. And a three-year limited hardware warranty means your mouse will work just like you expect.

Key Features

- Simple to set up and use—just plug it in
- Full-size, ambidextrous shape
- High-definition optical tracking (1000 dpi)

Logitech®

Mouse M100

Reliable, comfortable control

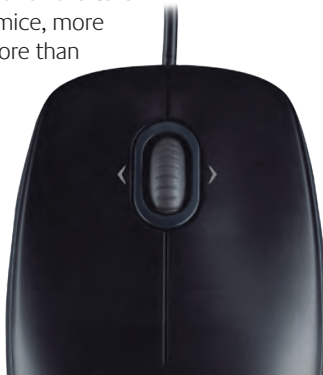

Features

Built by Logitech®—the mouse experts

The mouse you're holding comes with all the care we've built into more than a billion mice, more than any other manufacturer. For more than 25 years, people around the world have appreciated the design, quality, and focus on innovation that we've put into every Logitech mouse.

Full-size, ambidextrous shape

Designed to keep either hand happy. So you'll feel comfortable, even after hours of use.

Feature Spotlight/Focus

The mouse you can count on

Since it's made by Logitech, you depend on your mouse to work just like you'd expect.

Simple to set up and use

Setup is fast and easy. There's no software to install. And since it's corded, you can just plug the cable into a USB port and use it right away.

Wired for reliability

Since the Logitech Mouse M100 is corded, your mouse will always be ready to use.

High-definition optical tracking (1000 dpi)

Enables responsive, smooth cursor control for precise tracking and easy text selection.
